

HATASOO WINS FLYING HANDICAP FROM GOOD FIELD OF HORSES

Blue Girl Could Not Have Lost With Good Ride.

TURNER SEVERELY CRITICISED

Wild Thyme Takes Partridge Stakes for Two-Year-Olds.

THE FAVORITE RUNS THIRD

Blue Girl Was an Added Starter in Handicap and Ran Great Race Under Adverse Conditions—Grand Opera Wins for His New Owners at First Asking.

NEW YORK, Sept. 2.—Probably no jockey this year has brought down upon himself so much adverse criticism as did Nash Turner for his ride on W. C. Whitney's filly Blue Girl, in the Flying Handicap, at three-quarters of a mile, run today at Sheepshead Bay. Blue Girl, an added starter, carrying top weight, 124 pounds, was a favorite at 5 to 1 in the opening prices, though she receded to 7 to 5 as Featherstone's Hatasoo, to whom Mr. Whitney's filly gave two pounds, was played down to 9 to 5.

Seven horses ran, and the moment they left the post saw Hatsoo set a rattling pace. Mike Dwyer's Femesole, Gay Boy, and Lux Casta followed in a bunch, with Blue Girl, who seemed to stop suddenly at the first eighth pole, several lengths back.

Swung Wide in the Stretch. Turner drew his whip at the turn, where he swung wide into the stretch with the Sir Dixon—Bonny Blue II filly, but as she displayed signs of coming to the leaders she was taken in behind them and was pulled up.

Then Turner took her to the outside again, and the game filly, full of running, tried again. Hatasoo's lead was quickly reduced to less than a length by Gay Boy, who had been bumped at the last furlong pole. Lux Casta was making a bold bid, too, with Blue Girl still coming strongly under a hard ride. At the wire Hatasoo won by three parts of a length, with Gay Boy, Blue Girl, Lux Casta, and Femesole following heads and necks apart as named.

Whips Too Late. A few jumps from the end Turner applied the whip, but it was too late. The crowd crumbled audibly, and Turner was roundly scored. Had he displayed his usual good horsemanship Blue Girl could not have lost, so the turf sharps insisted. Hatasoo's time was 1:12.

The other stake event was the Partridge, for two-year-olds at six furlongs on turf. After Bensonhurst had set the pace to the head of the stretch Andrew Miller's Wild Thyme was let down by Lynx and won easily by two lengths in 1:14.3. P. J. Dwyer's Merry Acrobat, second choice, took the place by a length from the favorite, S. S. Brown's Blue Ribbon.

Grand Opera, who was sold at the Mackay dispersal sale at Saratoga to "Pittsburgh Phil," made his first appearance in the colors of his new owner and easily disposed of a good field. His owner is said to have won a pile of money on the horse's victory.

OPENING OF NEW BOWLING ALLEYS

Preliminary Games Between Various League Teams.

CARROLLS WIN SILVER CUP

Defeated Fat Men's Club by Close Score—Saengerbund Took Consolation Prize—Departmentals Won in Series With the Bank Clerks.

The opening of the local bowling season last night was made the occasion for the formal opening of the new Palace alleys, 914 E Street. Both had a most flattering start, and a successful season is assured them.

The alleys, described in The Times last month, in their completed condition are perfect in every detail, and it is doubtful if there is a more complete and more comfortable home of the sport anywhere in any of the bowling centers.

Palms and other growing plants greeted the visitor last night on every side, and the brilliantly lighted hall, with its six polished alleys and its half dozen billiard and pool tables, made the large crowd of visitors feel at home from the first entrance therein. Comfortable, airy locker rooms, with every convenience for the bowler, open on to the main floor, while rooms for meeting purposes are close at hand. Manager C. E. Brown was complimented on all sides upon the completeness of the alleys, which he was in the main instrumental in securing.

From the opening hour until midnight the big place was crowded with enthusiastic followers of the sport.

Formal Opening by Mr. Lacey.

At 8 o'clock began the ceremony of formally opening the alleys, and this was done by Mr. James B. Lacey, one of the directors, who, in a neat address, bade the visitors welcome and placed at their disposal the new home of the sport, and expressed the hope that they would make frequent use of all it offered for their pleasure. His address was loudly applauded, and then, at a signal, the captain of each of the six team represented in the opening tourney rolled a ball down the alleys and the season was on. The games are preliminary to the regular season, which opens later in the month on these alleys.

The District League was represented as follows: Saengerbund, Captain Ford; Carroll Institute, Captain Cox; Jolly Fat Men, Captain Rodrick; South Washington Business Men's Club, Captain Ditch; Departmental League, President Batch, and Bank Clerks' League, President Dooley.

Carrolls Won the Cup.

The first set of games in the tourney were played by teams representing the District League, named above, each bowling one game. The Carrolls bowled the Saengerbund and beat them handily 827 to 795, and the Fat Men beat the South Washington Business Men 740 to 698.

Then the winners of these sets played for the prize, a handsome silver loving cup, and the Carrolls defeated the Fat Men by twenty-six pins—750 to 724.

The cup was presented with a few remarks by Mr. Lacey, who congratulated the winners, and Capt. George T. Cox received the prize for his team in a short address.

Then the Business Men and the Saengerbund bowled for the consolation prize, fifty cigars, and this time the Saengerbund won by the narrow margin of four pins—788 to 784.

Departmentals Defeated Bankers.

While these games were being played two teams each from the Departmental and Bank Clerks' Leagues were bowling for supremacy. The first set was won by the Departmental League, Ward captain, with a score of 819; Captain Barclay's team, 681.

On the other side another Departmental team won, Captain Hess' team defeating Captain Dooley's Bankers, 606 to 600.

The contest for the first prize between the two winning Departmental teams resulted in a victory for Captain Ward's team, 760 to 741, and the winners received 100 Mantell cigars, which the players divided among them.

Then the two defeated Bankers' teams played for the consolation prize, fifty

NEW JOCKEY CLUB TO BE ORGANIZED

Millionaires Drake and Gates Will Back New Association.

MAY HAVE RACE TRACK HERE

Plans Include Courses in New York, Chicago, Cincinnati, Memphis, St. Louis, San Francisco, Canada, and Washington—Will Work Independent of Older Body.

(Special to The Washington Times.)

ST. LOUIS, Mo., Sept. 2.—John W. Gates, the millionaire Chicagoan, and John A. Drake, of the same city, whose horses captured the rich American Derby and the Futurity stakes this year, will start a new independent turf organization, with headquarters in New York, according to a story which leaked out here today.

The new organization will conduct tracks at New York, Washington, Cincinnati, Chicago, Memphis, St. Louis, San Francisco, and in Canada. It will be known as the American Jockey Club, and will be independent of both the Western and New York Jockey Clubs.

Millions of dollars will be behind the new deal, and a big upheaval in the turf world is looked for. St. Louis will be represented in the deal by the parties who conducted the recent Kinloch meeting.

Capt. P. J. Carmody, general manager of the recent Kinloch meeting, leaves tonight to consult with Drake and Gates regarding the establishment of the local track, and will make application for membership in the new organization on behalf of the new track here.

Information concerning the big deal was reluctantly given out today by Clem Creveling and Harry Harris, both of whom are interested in the proposed deal, and were connected with the recent Kinloch Jockey Club meeting. The organization will work absolutely independent of the older turf bodies and another big war appears in prospect.

GOSSIP OF THE TURF.

The Earl of Rosslyn, who is visiting America, was at Sheepshead Bay to witness the running of the Futurity, and was very much pleased with the race.

Speaking of the finish, he said: "While not wishing to criticize the rider of Lord of the Vale, it certainly seemed to me that Lynx deserves quite as much glory for the victory as the great horse he rode. That was my opinion after seeing the race. I had a small bet on Savable, and I naturally was glad to have that colt win."

But even though Savable won and Lord of the Vale was so close a second, the very best horse—the one with the greatest future—seemed to me to be Hurstbourne, who ran fourth.

"I don't see how you can expect your two-year-olds to last the way you run them in this country. It would be unheard of in England to run a promising youngster more than two or three times during the season."

"Another thing I should think would be very hard on your horses is the track. The blue will suffer the loss of Wermouth, last year's favorite, who has entered business and quit the university."

"Jimmy" Britt, the Western lightweight champion, has challenged the winner of the McGovern-Corbett bout, to take place in Louisville on September 22.

The well-known sire of speed, King of Belaire, is dead in Ohio, in which of the fast horses and good roadsters he had few equals from a utilitarian point of view, and all through the dull times, when most stallions had little or nothing to do, he had full books right along. He was got by King Rene, son of Belmont, and a great show horse in his day, out of a mare by Almont, and when young acquired a record of 2:24 at the pace.

THORNTON RESTORED TO DUTY.

General Hughes Disapproved Finding of Honolulu Court-Martial.

Copies of a general order promulgated by Major General Hughes, commanding the Department of California, in the case of Corp. Edward L. Thornton, sixty-seventh Company, Coast Artillery, convicted by court-martial at Honolulu, H. I., of conduct to the prejudice of good order and military discipline and sentenced to be dishonorably dismissed, and to be confined at hard labor for a period of two years, have been received by the War Department.

Major Hughes has disapproved the findings of the court and restored the man to duty.

The owner of Circus, who ran second in the Buffalo Derby, was so pleased with his colt's showing that he will send the horse to the metropolitan tracks to contest with the crack horses there.

There is talk of a match race between Sombra, winner of the Buffalo Derby, and Major Hughes' General McGovern, the great three-year-old. There is little likelihood that anything will come of it, however. Major Dingfield in all his races has shown himself to be a much better colt than the Morris colt.

William Morris, it is said, is willing to match his horse against the McEwee colt.

The Rival, who started in the last race at Sheepshead Bay on Monday, and won it, also was a starter in the Twin City Handicap on the same day. The best he could do in that event was to finish away back among the "also-rans," and his poor showing was responsible for the long price in the last event. It is very rare nowadays for a horse to start twice in one day. A few years ago Sidney Lucas started in two consecutive races at Benning and won them both.

William Labland once won the card at New Orleans with a horse called Little Reb. There were only three races on the program, but Little Reb won them all.

Jockey Brennan, who early in the season was engaged to ride the horses of Newton Bennington, has gone into the employ of the Goughaer's stables. Brennan was left without employment when

Vincent De Grange, injured several days ago, died at his home last night.

Vincent De Grange, a twelve-year-old boy, who, several days ago, while playing with friends, stuck a splinter in one of his feet, died last night from lockjaw at his parents' residence, 713 Sixth Street. Coroner Nevitt was notified and gave a certificate of accidental death.
